Activities that Both Occupations Have in Common

Similarity of Focus Occupation to Associated Occupation: 30

Focus Occupation: Speech-Language Pathologists (29-1127)

Associated Occupation: Teacher Assistants (25-9041)

Work Activities	Exclusivity of Activity
Use interpersonal communication techniques	10

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.
